

How to book apartment

- Pick dates you want to book (*just click on date and field will be highlighted*)
- Scroll page and in empty fields fill up you name, surname, mail address, number of visitors and phone number
- In "Details" field write if anything of you interest beside info you can find on web page
- Write code which is written on right side of empty field (this is verification!)
- Click SEND

Once clicked, automatic generated message will go to us about your booking.

In meantime, you will receive message in your mail inbox stated that you request has been processed.

Also, in same mail there is an account number with all necessary data for advance payment of 20% of total sum for booking confirmation. (pls. see bank data bellow)

Once pre-payment is processed to our account, we will block for you booked days and you will receive mail that your booking has been confirmed.

In case of cancellation for any reason, you will receive mail with cancellation confirmation.

(Booking pre-payment is not refundable, except if cancellation is performed min. 60 days prior to arrival date!!)
